Thanks. I've been in touch with Karyn. Just need to assure my management that the program is getting any support it wants/needs from us.

Thanks, but not at this time. Karen J would also be the POC for enforcement, not me.

I am trying to assist with health effects, treatment options, emergency water etc. etc.

Hi Patti-Kay! Diane Ajl tells me you may have lead on this from a PWS perspective. Please feel free to let me know if you want/need ORC support. Thanks!
